The Department of Theater is an accredited institutional member of the National Association of Schools of Theatre, 11250 Roger Bacon Drive, Suite 21, Reston, Virginia 20190.

The Department of Theater blends scholarship and practice in an academically based theater experience that provides students with broad based exposure to human experience and a sound foundation in the skills of theater craft. Class work in all areas of theater is complimented by a production program that reinforces both approaches to theater, creating work that is as imaginative and highly polished as possible. Graduates will be able to apply their knowledge of performance, production, theater history, contemporary practice, literature and theory in a wide variety of theater venues. Graduates will also be able to demonstrate intrapersonal and interpersonal skills in the form of leadership qualities, self discipline, creative expression, critical thinking, and the ability to work effectively as a part of a collaborative team. The development and guidance of talent and discipline, both characteristic of the artist/scholar, are the goals of the Department of Theater.

The Department of Theater maintains two theaters for public productions: the McLeod Theater, a proscenium stage seating approximately 500, and the Christian H. Moe Laboratory Theater, a flexible stage seating up to 110. The playbill typically encompasses a balance of contemporary, classic, and original works, and offers seven productions including a musical and an opera during the academic year (the latter co-produced with the School of Music). The summer season, McLeod Summer Playhouse, consists of three musicals operating as a professional summer stock company, offering stipends, and/or graduate credit.

The fellowships have no service requirements. Third, graduate assistantships with competitive stipends are available to students who are employed in various academic support positions, such as teaching, research, and production. All fellowships and assistantships include a waiver of tuition (both in-state and out-of-state). Applications for financial assistance may be obtained by contacting the director of graduate studies.
