**General Regulations and Procedures**

This section includes Graduate School procedures and regulations applicable to all graduate students regardless of degree classification. Requirements unique to the master’s and doctoral degrees are stated in the section titled Degree Requirements. For information about specific degree programs, the student should consult the appropriate degree program description. Requirements unique to the non-degree classifications are stated in the section in this chapter titled “Nondeclared Students—Non-Degree”.

**APPLICATION FOR GRADUATE STUDY**

Information regarding graduate degree programs offered at SIU can be found on the Graduate School home page at gradschool.siu.edu. Under the Admissions section, see the link “Academic Degree Programs”; there is basic information relating to each program – areas of interest, graduate tests required, terms for which that program admits students, application deadlines, and departmental contact information.

**Applying to a Degree Program**

The online application for admission to the Graduate School can be found on the Graduate School home page at gradschool.siu.edu; see “Apply Now”. This application is required for admission to all programs and allows the student to upload most of their application materials and submit them electronically. Check your own department’s home page for a list of required materials.

Some items, such as official transcripts, portfolios and official test scores, may need to be mailed directly to the department. See the Degree Programs section on the home page under “Departmental Contact Information” for where such materials should be mailed for each department.

Items routinely uploaded are: unofficial copies of test scores such as the GRE, GMAT, MAT and TOEFL / IELTS, unofficial copies of transcripts, Statements of Purpose, any other materials required by your particular department; Financial Statements/ Bank Statements for international applicants, as well as copies of passport pages for applicants and any dependents. Contact information for persons being asked to provide letters of recommendation may be entered, and then recommendations may be submitted online by those persons.

In addition, some departments may also have a departmental application form, which may be linked to the Graduate School online application.

**Application Fee**

The Graduate School requires a non-refundable application fee of $65 which must be submitted with the Application for Admission to Graduate Study. If you are applying to more than one program, a fee must be paid to each program. McNair and Fulbright Scholars should submit proof of participation in that program directly to the Graduate School in order to be considered for an application fee waiver. The application fee is subject to change without notice.

**Transcripts**

Students are required to submit official transcripts from all schools attended during their undergraduate study and also for all graduate work completed. Any student wishing to be considered for Graduate School fellowships must submit to the department an official transcript for every course taken as an undergraduate and/or graduate student.

All transcripts submitted for admission to a degree program must be sent directly to the department to which a student is applying. See departmental contact information for a complete mailing address.

Students applying for nondeclared admission are only required to send one official transcript showing either a bachelor’s, master’s or Ph.D. earned. They should be sent directly to Graduate School Admissions - Nondeclared, 1263 Lincoln Drive, Room 310, Mail Code 4716, SIU, Carbondale, IL 62901. Any transcripts submitted in person must be received by the student directly from the institution attended, and must be submitted to the Graduate School in a sealed envelope.

Transcripts submitted will not be returned nor forwarded to other institutions.

In accordance with the Family Education Rights and Privacy Act of 1974, no non-Southern Illinois University person, firm, or agency may have access to an applicant’s or a student’s credentials without written consent of the individual concerned. Graduate students shall be permitted to examine their own records upon request. Such requests should be made by the student to the dean of the Graduate School.

**Test Scores**

The Graduate School does not require any graduate tests for admission. (However, if you intend to apply for a fellowship, you will need a standardized test to qualify.) Individual departments may require, at their discretion, the GMAT, GRE, MAT, or other appropriate standardized tests for admission. Students should check the website of the department to which you are applying or contact the department directly for more information. Information is also listed on the Graduate School home page under “Degree Program Information”, but should be verified by the department.

**Deadlines**

While the Graduate School does not have an application deadline, many departments do. The deadlines may be as early as December 1st for the following fall semester. Please check the department to find out what application deadlines they may have. These deadline dates are also listed under “Degree Program Information” on the Graduate School home page, but should be verified with the department. Regardless of any deadlines, applicants should submit materials to the department as far in advance as possible, to have the best chance to be considered for admission and funding.

**Requirements**

The admission requirements of the Graduate School and the department must both be met before the student is admitted to a degree program, and both the Graduate School and the department may specify admission conditions. Most departments require additional materials such as letters of recommendation; these should be forwarded directly to the department or submitted online by the recommender. The student will be informed by the Graduate School of the resultant admission status after this process has been completed.
Terms of Admission
Please note that some departments may not admit students for all semesters. Some allow admissions for fall semester only, some for summer only, and some for fall and spring terms only. For more information, students should check with the department to which they are applying or also check the Graduate School home page for "Degree Program Information" gradschool.siu.edu.

Updating Admission for Future Terms
All admissions are for the specific term indicated. Should a student wish to change their admission to a future term, they must contact the Director of Graduate Studies in the department to which they are applying. The petition to change can only be granted within one calendar year of the initial admission term and only with the agreement of the department and the Graduate School. Official transcripts will be required for any course work completed since the original application. After one year, the student must submit a new application and new application materials. International students may be required to submit a new TOEFL score and/or update financial documents in order to defer admission to a later term.

Admission of Faculty Members
No one who holds a faculty appointment at any of the academic ranks—lecturer, instructor, assistant professor, associate professor, and professor—shall be admitted to a graduate degree program at any level, or be eligible to register for courses to be taken for graduate credit, in the graduate degree program in which the faculty member holds the appointment. If a faculty member has been admitted to a graduate degree program in some unit other than the one in which such appointment exists, no member of the faculty of the unit in which the appointment is held may be a member of that colleague’s thesis committee, graduate program committee, dissertation committee, or any other examining committee. (See also faculty appointments in the section titled Financial Assistance.)

Admission of International Students
This school is authorized under federal law to enroll non-immigrant international students. A student from abroad is subject to all requirements for admission established by the Graduate School. For more information concerning international students, applicants should contact the Graduate School Admissions Office, 1263 Lincoln Drive, Room 310.

To allow ample time for visa and other departure procedures, the applicant should have an application and all supporting documents on file with the University no less than six months prior to the proposed entry date. Some departmental deadlines may require an even earlier application.

International students must be enrolled in a program leading to a graduate degree. They cannot be admitted as nondeclared students.

If the above requirements are satisfactorily met and the student is admitted to a degree program, the applicant will be required to certify that personally adequate financial resources will be available to undertake and continue in a program of study.

Test of English as a Foreign Language (TOEFL). All applicants whose native or first language is not English must take the TOEFL test no more than 24 months prior to the term for which the applicant is seeking admission. A minimum TOEFL score of 550 (paper); 80 (internet) is required for Graduate School admission; higher scores may be required for admission into specific degree programs. The IELTS exam is also acceptable (an overall band score of 6.5). The English language requirement may also be met by the iTest Academic Plus Exam (5.0) or the Cambridge English Exam (C1).

Exemptions to the TOEFL requirement are: (1) an applicant who has recently completed a bachelor's degree (completion of at least 60 semester hours of graded coursework) at an accredited institution in the United States with continuous residence in the United States prior to application at SIU; (2) an applicant who was awarded a master's degree at an accredited institution in the United States, and who has been in residence in the United States continuously prior to application at SIU (not out of the country for more than one calendar year)

Official TOEFL scores will be sent only to the Graduate School Admissions Office. A photocopy of the student’s examinee score report should be uploaded with other materials in the online application.

Conditional Admission of International Students. Conditional admission of international students will be considered on an individual basis. The student must apply to a program which requires only the Graduate School minimum TOEFL score of 80 on the TOEFL exam. Departments which require a higher TOEFL may not use this option; for those programs, the required score must be submitted in advance before an application will be considered. Please note that some programs will not allow this option.

Before this option can be considered, the student must submit all required application materials to the department, including a recent TOEFL, however low. Departments may confer with the Graduate School Admissions Office with regards to using this admissions option. The student must be acceptable for admission based on all other academic criteria, with the possible exception of a graduate test score such as the GRE or MAT. Graduate admissions will coordinate with the CESL Office to arrange for the student’s enrollment in CESL classes, and will issue a Training Language I-20, along with a conditional admission letter guaranteeing the student admission to the graduate degree program following successful completion of all required English language courses, submission of the required TOEFL score and all other required documents.

Academic Requirements. If a foreign-born applicant has recently completed a bachelor's degree program at an accredited institution in the United States of America (minimum of 60 hours of graded coursework; proficiency credit, pass/fail or satisfactory/unsatisfactory grades are not counted), the applicant may be given the same consideration for admission to a graduate degree program as a United States citizen who has continuous residence in the U.S. prior to application to SIU, in regard to both academic requirements and the use of English as a foreign language.

Applicants who have completed the equivalent of a four-year bachelor’s degree at a recognized institution in any other
country must have an academic record equivalent to a 2.70 grade point average ($A = 4.00$) on their last two years of study for admission to a master’s degree program. A minimum GPA of 3.00 is required on all graduate work completed regardless of whether or not a degree is completed.

The determination of the applicant’s grade point average shall be the responsibility of the Graduate School.

Applicants for doctoral programs must meet the regular academic requirements for admission to a doctoral program.

**Qualification for Assistantship with Teaching Duties.** Every non-native English speaker assigned a graduate assistantship with teaching duties must pass an examination of oral English skill before undertaking classroom duties.

There are two parts to the exam: an interview and a teaching sample. The procedures for this exam are described below. The exam is given by a two person committee: one department representative and one representative from the Graduate School, the Center for Teaching Excellence, or other appropriate designated reviewer.

The **interview** begins by asking the student general information. The interview covers reasons for choosing Southern Illinois University, the student’s chosen field of study and major emphasis, plans for graduation and the future, and also information about the nature of the projected teaching assignment.

For the **teaching sample**, the student gives a 10 to 15 minute teaching presentation on a topic related to his/her assistantship duties. The interviewers act as potential students in the relevant setting, asking the kinds of questions likely to be posed by students in such a setting.

Upon completion of the oral exam, the interviewers rate the student independently on three sets of scales:

1. comprehension (how well the student understood what was asked);
2. speaking/fluency (how grammatically and fluently the student spoke);
3. pronunciation/accent (is the accent a barrier to communication).

The result of the oral interview is a consensus of all three interviewers, arrived at immediately upon comparison of the ratings.

There are three outcomes for the exam:

1. **Pass**, which allows the student to serve as a teaching assistant without restriction.
2. **Conditional assignment**, which limits the student’s potential assignments. Limits are specifically tailored to the student’s performance level, e.g., (for example: grading only, help sessions, laboratories under close supervision, one-on-one tutoring sessions, or to relatively advanced classes within the major subject).
3. **Failure**.

Students who fail, or are given a conditional assignment, may be re-tested the next semester or when potential teaching assignments change.

The Graduate School sends letters detailing the results of the examination to the student’s academic department, and a copy is placed in each student’s graduate assistant file.

**REGISTRATION**

Only those students who have been officially admitted by the Graduate School will be permitted to register.

Some degree programs require their students to have a Registration User Number (RUN) before registration. Please consult the designated major department about advisement. Nondeclared, non-degree students are technically self-advised and may begin registration for the admitted semester after the registration period begins.

The **Schedule of Classes** for a particular semester is available online at registrar.siu.edu/schedclass.

Students are strongly encouraged to complete their registration before the beginning of classes. After the first week of classes, registration or program changes involving adding a course must have the written approval of the instructor of each course as well as the approval of the Graduate School and cannot be done through SalukiNet. A student must submit a Course Request Form signed by the instructor(s) to the Registration Office in Student Services Building Room 324 to register. A $15 late fee is charged if not already registered.

Students should consult the SIU **Schedule of Classes** (registrar.siu.edu/schedclass) for each semester to find deadlines and dates for registration.

**REGISTRATION METHODS**

During the advance registration period (see registration calendar for dates in the SIU Schedule of Classes Information registrar.siu.edu/calendars) graduate students may register by several methods described below. Nondeclared students may use any of the methods. Degree-seeking students may be required by their departments to have a RUN number.

**Web Registration**

Nondeclared students and degree-seeking students will register online via SalukiNet at saluki.net.siu.edu. To begin the registration process, a student needs a network ID and a password. To claim your Dawg Tag go to netid.siu.edu. If a student is not yet admitted to the Graduate School or does not have department approval to register or there is some other problem, the student is ineligible to register.

**Registration at the Graduate School**

The Graduate Registration Office is located in Student Services Building Room 324. After the first week of classes, all students must register in person from 8 a.m. to 4:30 p.m., Monday through Friday. After the first week of classes, students are required to have the instructor’s and the graduate dean’s permission to add courses and must come to the office to process a registration or add. The Graduate School Course Request Form is at http://gradschool.siu.edu/_common/documents/course-request.pdf. Drops are to be processed online through week 10 for full semester classes or drop deadlines for shorter classes. The drop deadline for full semester classes is week two to be eligible for a full refund.

**Late Registration**

A late registration fee of $15 shall be assessed to all students
taking on-campus classes who register the first day of classes or later. This fee shall be non-refundable and cannot be waived, except when it is clearly shown that the late registration was caused by faculty or administrative action. Off-campus classes and registration in 599, 600, and 601 shall be exempt from such fee.

OTHER TYPES OF REGISTRATION IN GRADUATE COURSES
The following discussion concerns students who are either nondeclared for various reasons or are undergraduates wanting to take graduate-level courses.

Nondeclared Students—Non-Degree
A person may apply for admission to the Graduate School as a nondeclared student when the applicant does not seek a graduate degree or has applied too late to be admitted to a degree program for the term for which admission is sought, or does not meet the minimum GPA requirements for admission to a graduate degree program at this time.

Students applying for admission as a nondeclared graduate student who hope to obtain admission in a particular department at a later date, should meet with the Director of Graduate Studies in that department before registering for courses and seek information as to what courses they may take which would be counted towards degree requirements if they are admitted to the program later. Once the student is enrolled in the department, the department must petition the Graduate School that graduate courses completed while a student was nondeclared be counted toward fulfillment of degree requirements. The student will be subject to the rules and regulations of the Graduate School and the department concerned including the completion of at least nine hours after being admitted to a master’s degree program from nondeclared status.

Please note that nondeclared graduate students are not eligible for Graduate School fellowships or tuition waiver scholarships. Contact the Assistantship Office for details. Loans may be available for one 12 month period only, beginning when the student first enrolls in the nondeclared category and ending 12 months later. To determine eligibility, contact the Financial Aid Office.

Regular Nondeclared
A person who seeks admission as a regular nondeclared graduate student must have been awarded a bachelor’s or higher degree. A student admitted as a regular nondeclared student may enroll in graduate courses as long as the student meets retention standards of the Graduate School. Please note that funding is not available after one year after date of admission.

Temporary Nondeclared (classes taught off-site or web-based programs only)
A student may register as a temporary nondeclared student for one semester only with departmental approval. If the student wishes to enroll in graduate courses after this time period, the student must apply for and be admitted either to a degree program or to regular nondeclared status. Complete admission materials must be submitted before subsequent registrations will be allowed.

Undergraduate Student Registration in Graduate Courses

Graduate Credit
An undergraduate student who wishes to register for a graduate course (400- or 500-level course) for graduate credit must file the standard application for admission to the Graduate School and submit a request for graduate credit. Forms are available in the Graduate School Admissions Office, 1263 Lincoln Drive, Room 310. If the student is academically eligible for admission to a degree program, the student will be allowed to register as an undergraduate for graduate courses for graduate credit when within 12 semester hours of completing requirements for the bachelor’s degree. Permission of the instructor teaching the course must be obtained, and for 500-level courses, the permission of the Chair of the department offering the course.

An undergraduate student who meets these qualifications will be allowed to take graduate courses for graduate credit for one semester. If, at the end of the term, the student has not received the bachelor’s degree, permission to enroll in graduate courses for graduate credit will be withdrawn until after the bachelor’s degree has been conferred. Graduate credit cannot be granted once a semester is complete.

All requests for graduate credit as an undergraduate must be processed by the Graduate School by the 10th day of the semester for which the student wishes to register.

Undergraduate Credit
The Graduate School has the responsibility of approving the registration of undergraduate students in 500-level courses for undergraduate credit. Undergraduate students should only be encouraged to take 500-level courses if they are properly qualified. In dealing with these requests the following procedures must be followed.

The chair of the department offering the course, in collaboration with the instructor who is teaching the particular course, should forward a letter to the Assistant Dean of the Graduate School, 1263 Lincoln Drive, Room 309, indicating their approval for this student to enroll in the 500-level course for undergraduate credit. Since such a request should only be made for superior students, the letters should include such information as: (1) undergraduate GPA (at least 3.0 required); (2) general description of the student’s academic work; and (3) why this course would be beneficial. The student must go to the same office to obtain permission to enroll upon receipt of the letter by the Assistant Dean. If permission to enroll has been granted by the Assistant Dean, this will be indicated to the registration center. Accordingly, the student should bring the request form and Course Request Form to the Graduate School.

School of Law Courses
A graduate student may enroll for graduate credit in designated law courses if the student has permission of the dean of the School of Law and the dean of the Graduate School. Registration must be processed through the Graduate School and the grades will be reported on the Graduate School letter grade system (A+, A, A-, B+, B, B-, C+, C, C-, etc.).

A law student may register for law credit in graduate courses with approval of the dean of the School of Law and the graduate

*Students who hold at least a quarter-time (25% FTE) graduate assistantship are considered as full-time if they have a minimum of 8 semester hours.

Minimum and Maximum Course Loads
A graduate student must enroll in graduate-level course(s) (typically a 400- and 500-level course; certain 400-level courses are not available for graduate credit.) Please consult the Graduate Catalog for available 400-level graduate courses. Audit work will not qualify to meet the minimum load. An exception to the 16 credit hour maximum load possible only with written permission of the graduate dean.

Graduate students with a Graduate Assistantship must enroll in a minimum of eight graduate credit hours during the fall/spring and three graduate credit hours during the summer. Students with a Graduate Fellowship or SIU Scholarship must enroll in a minimum of nine graduate credit hours.

All University employees who wish to use the employee tuition fee waiver (faculty and staff) and are classified as graduate students are only permitted to register for six hours. To request permission to take over six hours, a memo from their hiring department approving the extra hours must be submitted to the Graduate School Records Office.

If graduate students’ enrollments fail to meet the minimum hours required by their type of financial support, the financial support will be terminated.

CONTINUING ENROLLMENT (601)
Registration in 601 (one hour per semester) is required of all graduate students, whether in residence or not, who are not otherwise enrolled for fall or spring semester. Concurrent registration in any other course is not permitted.

Students registering for 601 are assessed only in-state tuition for the credit hour associated with the registration. Since student fees are not assessed for 601, the students are not eligible for the benefits of any other programs such as Recreation Center use, Health Service and Student Medical Benefits, Students’ Attorney Program assistance, etc. Students needing the above benefits that require fees may instead register for additional research, thesis, or dissertation hours.

All students in a graduate program, but not enrolled in classes by the Friday of the first week of the fall or spring semester, will be registered in 601 by the Graduate School and charged tuition for one hour of 601. This hour will be dropped if the student subsequently enrolls in a class that semester or is granted a leave of absence by their graduate program by the 8th week of the semester. Each program has its own policy of whether and when to grant leaves of absence. Students on leave are not required to enroll in 601 for the period of leave, but a leave of absence does not affect the time-to-degree requirements. The requirement of 601 enrollment ends when a student passes the six years to complete a master’s degree, without completing the degree, the five years of doctoral candidacy, or officially withdraws from a program prior to completion of the degree, or graduates. Students who are granted extensions to these time limits would be covered by this revised 601 policy. Summer sessions are exempt from the continuous enrollment requirement.

601 Credit hours are not eligible to be used toward meeting coursework degree requirements.

TRANSFER CREDIT
All graduate credits earned by a student in good standing at an accredited university, which have not been applied toward fulfillment of requirements for another degree, are eligible for transfer to that student’s degree program, subject to general limitations of Graduate School regulations, residency requirements for doctoral degree programs, and acceptance by the student’s major department. All transfer credits are subject to final review by the graduate dean. No transfer credit will be given for work bearing a grade below B or graded “satisfactory” without express permission of the graduate dean in response to written petition from the student’s department. Credit towards a degree may be earned by online and off-campus courses at another accredited university. In the case of a master’s degree, the student must earn at least half of the credit applied toward fulfillment of degree requirements in courses offered by SIU. Grades for coursework transferred to SIU from an outside university will not be calculated in the cumulative SIU grade point average.

The department recommending the graduate degree shall administer all required general and final examinations, and a

attending class during first 60% of the semester. This 
grade cannot be made up.

Grading System Explanation

Only courses for which the grades of A+, A, A-, B+, B, B-, C+, C, C-, or S have been received are acceptable in fulfillment of graduate degree 
requirements. The letter grades A+, A, A-, B+, B, B-, C+, C, C-, D+, 
D, D-, and F are included in computing the grade-point averages for 
aademic retention. If a graduate student repeats a course with the 
permission of the graduate dean, only the most recent (last) grade 
will be counted in the grade-point average. Graduate students will 
not receive graduate credit for Pass/Fail grades. They may not receive 
a grade of Pass/Fail in a 400-level course graded Pass/Fail on an 
elective basis.

400-level courses. Most 400-level courses may be taken for 
graduate credit. The Graduate Catalog will indicate those 
400-level courses which may be taken for graduate credit. No 
grades of Pass/Fail may be given for a 400-level course for 
graduate credit. The instructor in a 400-level course which 
can be taken for graduate credit has the discretion to decide 
whether to require additional work for graduate credit.

Withdrawal. Except for the WU grade, a W indicates authorized 
withdrawal from a course prior to the date indicated in the Schedule 
of Classes for the term in which the course was taken. The student’s 
record will reflect the courses from which the student had withdrawn 
with the symbol W and the week of withdrawal. Program changes 
to drop a course during the first two weeks of classes result in no 
entry being made on the student’s record (consult the section titled 
“Withdrawal from Courses and from the University” for additional 
information on withdrawal procedures and deadlines).

Incomplete. An INC grade should be assigned when, for reasons 
beyond their control, students engaged in passing work are unable 
to complete all class assignments. INC is not included in grade-
point computation. An INC must be changed to a completed grade 
within one year from the close of the term in which the course was 
taken or graduation, whichever comes first. Should the student fail 
to complete the course within the time period designated, that is, 
one year from the close of the term in which the course was taken or 
graduation, whichever comes first, the Incomplete will be converted 
to a grade of F and the grade will be computed in the student’s grade-
point average.

To complete the work from the original registration, a student 
should not register for the course again, but should complete the work 
for the original registration if the original registration is within the 
normal time limits established for the degree.

A contract for an INC grade must be established between the 
instructor and student at the time the INC grade is assigned.

An extension may be granted if the request for the extension is 
made within the first year and approved by the Dean of the Graduate 
School and the Provost.

Deferred. When the work is completed in a course for which DEF 
has been assigned, the grade is changed to a letter grade by the 
instructor, except in the case of theses and dissertations. When a 
thesis or dissertation has been submitted to the Graduate School 
as approved, the grade is automatically changed to S. If a thesis or 
dissertation is found unacceptable and the student is dismissed from 
the program, the grade of U is automatically assigned upon receipt by 
the Graduate School of the action dismissing the student.

Audit. A student registering for a course on an audit basis receives 
no letter grade and no credit hours. The student’s registration must 
indicate audit registration and the same fees are paid as when 
registering for credit. During the first two weeks of a regular semester, 
a student registered for a course for credit may change to audit status 
or vice versa through the official program change process. Thereafter, 
the change may not be made.

Changing of Grades. At the completion of a course, the final grade 
assigned to a student is the responsibility of the instructor of the 
course. Grades given at the end of the course are final and may not be 
changed by additional work or by submitting additional materials; 
however, clerical errors in recording grades can be corrected. To 
correct a clerical error, the assigned instructors should submit a 
grade change card together with an explanation and justification of 
the grade change for the approval or disapproval of the department 
chair, the appropriate college dean, and the dean of the Graduate 
School. In cases of theses and dissertations, for which DEF grades
are given, the Graduate School changes the DEF grades upon presentation and acceptance of the thesis and dissertation and receipt of the departmental approval papers. In courses for which INC and DEF grades have been given, the assigned instructor has the responsibility of determining the final grade to be assigned and notifying the Registrar’s Office of the final grade by means of the grade change card.

*Students must drop a course or withdraw from the University by these deadlines to receive an account credit equal to a full refund of tuition and fees. Students who drop courses after the full refund deadline but remain enrolled in the University will not receive any refund. Students who withdraw from the University after the full refund period will receive an account credit up to week four (see chart below).

Students officially withdraw from courses through the program change process. This process starts with the academic adviser and is completed at the Registration Center. Graduate students may drop from a course through the 10th week of the fall and spring semesters. Drop deadlines for shorter sessions are correspondingly earlier (see schedule above). Official withdrawals during the first two weeks of the semester result in no entry being made on the student’s record. Official withdrawals during the third through tenth weeks of classes will result in the course listed on the student’s record with the symbol W and the week of withdrawal. No drop from a course will be authorized after the 10th week of classes. It is the student’s responsibility to insure that the drop process is officially completed.

Withdrawal from the University
A complete withdrawal from the University may be authorized by the graduate dean through the Friday of week 10 of classes. Students who withdraw from all classes will have a statement of withdrawal from the University entered on their records. Students who find it necessary to withdraw from the University after school has started and who are on campus should contact the Graduate School in person to initiate the withdrawal process. If they are unable to come to campus, they may email (gradregistration@siu.edu) the Graduate School asking that it process a withdrawal.

Students receiving a withdrawal from a full semester length course within the first two weeks will, under normal circumstances, receive a refund of all tuition and fees paid by the student. If the student has attended classes during the full refund period a portion of the financial assistance funds will be returned to the original source(s).

Students who withdraw after the full refund deadline will receive an account credit equal to the appropriate refund of tuition and fees. An administrative fee will be assessed to all students who withdraw from the University and receive a refund beyond the full refund period. The amount of the fee will be a fixed charge of $100.

No tuition refund will be given after week four; no refund of fees will be given after week three. Student fees are charged as a condition of enrollment.

Students in military service with the State of Illinois pursuant to the orders of the Governor have the right to receive a full monetary credit or refund for funds paid to any Illinois public university, college or community college if the person is placed into a period of military service with the State of Illinois in the event of state emergencies pursuant to the orders of the Governor and is unable to attend the university or college for a period of seven or more days. Students may elect to receive course credit for all of their courses rather than a refund.

All students seeking a withdrawal must contact the Graduate School in person or by mail. The effective date of the withdrawal, if granted, will be the student’s last date of class attendance, provided the student completes the requirements for the withdrawal. Incomplete applications for withdrawal will be denied. Any student who fails to comply with the withdrawal procedures will receive grades for the semester and must satisfy
the financial obligations for the semester.

Students who have a graduate assistantship and resign from their contract will not be automatically withdrawn from their courses. Students must complete the withdrawal process.

RETENTION
Any graduate student whose cumulative grade point average falls below 3.00 will be placed on academic probation. Faculty of a degree program/unit may determine its own grade point average requirements (above the grade point minimum for retention in their particular program.) All 400- and 500-level courses taken after a student is admitted to the Graduate School are considered graduate level, unless the course is specifically designated, “Not for Graduate Credit”, for all students. Grade point averages for doctoral students are based on graduate credit work completed at SIU after admission to the doctoral program. Grade point averages for master’s degree students and nondeclared graduate students are based on all graduate credit work completed at SIU.

Any graduate student on academic probation whose grade point average remains below 3.0 for two consecutive semesters in which she or he is enrolled, excluding summer sessions, will be permanently suspended from the Graduate School, unless the department and the collegiate dean petition the graduate dean for an exception.

Graduate students who have a grade (or grades) converted from an INC to an F due to the INC grade policy which results in a retroactive change in GPA below 3.0 for the semester the course was taken, and any subsequent semesters, will be placed on Retroactive Academic Probation. The term Retroactive Academic Probation will appear on the students’ transcripts to show that they were not in good standing in the Graduate School during the semester(s) effected.

GRADUATION
Graduation ceremonies are held each year at the end of each spring semester and fall semester. Degree candidates must apply for graduation with the Graduate School typically by the fourth Friday after the semester begins. Late graduation applications for extenuating circumstances beyond the student’s control will be considered through the end of the eighth week of fall and spring semesters. Graduation ceremonies are held each year at the end of each spring semester and fall semester. Graduation application forms are available in the Graduate School and may be obtained by downloading from the Graduate School web page: gradschool.siu.edu.

Candidates who do not meet graduation requirements will automatically be rolled to the next graduation term (May-to-August, August-to-December, December-to-May) with no additional fee, not to exceed one term. Candidates who fail to meet the degree requirements by the deadline for that graduation term will be removed from the pending graduation list. It will then be the student’s responsibility to submit a new Graduation Application form by the deadline for the term in which they now plan to graduate. The new application will result in the assessment of another Graduation Application fee. Commencement ceremonies are held only in May and December. August graduates should consult the graduation application for commencement information.

Any financial obligations with the University must be cleared by the Bursar’s Office before the release of diplomas and official transcripts. Diplomas are mailed to the address on the graduation application form within four to ten weeks after the end of the term.

A $50 graduation fee is established for all persons receiving degrees. The fee is payable at the time of application or the fee will be charged to the student’s account. Late applications will be assessed a $75 Graduation Application fee. The fee does not cover the rental fee for the cap, gown, and hood, or the cost of the invitations. These items are ordered through the University Bookstore in the Student Center and questions regarding them should be referred to the University Bookstore. Doctoral and Master’s students are required to pay a library fee of $25 plus tax. Theses and dissertations are submitted electronically (pdf) to UMI ETD Administrator. Research papers should be electronically submitted to OpenSIUC.

Submission of research papers, theses, and dissertations are due in the Graduate School office by the published deadline date. Contact the Graduate School for dates. Doctoral students must also submit the survey form of earned doctorates at the time the dissertation is submitted.

The Graduate School Guidelines for the Preparation of Dissertations, Theses and Research Papers is available at the Graduate School website (gradschool.siu.edu). Since each program has chosen a manual style that must be used in conjunction with the Graduate School guidelines, the student should contact the department for additional departmental information.

Although attendance at commencement is not compulsory, students who wish to graduate in absentia must notify the Graduate School in advance. This information is needed for seating arrangements and for mailing purposes.

Posthumous Degrees
A graduate degree may be awarded posthumously if the student has substantially completed the work for the degree. This determination shall be the responsibility of the graduate dean in consultation with the administrative officers and faculty of the degree program in which the student had been enrolled.

RELEASE OF STUDENT INFORMATION AND ISSUANCE OF TRANSCRIPTS
The University follows a policy for release of student information in compliance with federal regulations. More specific information may be obtained from the Registrar’s Office or from the Graduate School.

A transcript of the student’s official educational record is issued by the Registrar’s Office under the following conditions: a transcript is sent, issued, or released only upon a student’s request or explicit permission, except that such permission is not required when the University faculty and administrative officials or other educational institutions request transcripts for official purposes.

In addition, requests will be honored from a philanthropic organization financially supporting a student and from a recognized research organization conducting educational research provided the confidentiality of the transcript is
protected. A transcript will be issued directly to a student upon request. The transcript will have the statement, Issued to the Student, stamped on its face. Transcripts will be sent to recipients other than the student as requested in writing by the student. A transcript fee of $5 will be payable in advance for every transcript the student requests. A transcript will not be sent, issued, or released if a student owes money to the University as verified by the Bursar’s office upon request. The transcript will have the statement, Issued to the Student, stamped on its face. Transcripts will be sent to recipients other than the student as requested in writing by the student. A transcript fee of $5 will be payable in advance for every transcript the student requests. A transcript will not be sent, issued, or released if a student owes money to the University as verified by the Bursar’s office.

**POLICY**
SIU recognizes that many of its students use a name other than their legal name. As long as the use of a preferred name is not for the purpose of misrepresentation, the university acknowledges that a preferred name should be used whenever possible in the course of university business and education. Therefore, the university will permit any student who wishes to choose to identify themselves within the university’s student information systems with a preferred name in addition to their legal name. Some records, such as paychecks, financial aid, or the official transcript, that require use of a legal name, will not change to preferred name. However, whenever possible, preferred name will be used except in the following areas where the use of the legal name is necessitated by university business or legal requirement.

**Legal Name Used:**
- Student Accounts (Bursar)
- Financial Aid
- Responses to enrollment or degree inquiries such as verification requests
- Official Transcript
- College of Education Teacher Certification Records (US Dept. of Education)

A preferred name is a first name (i.e., given name) that may be chosen to be used instead of legal first name. You may specify a preferred name within SalukiNet which will then replace your first (given) name in your directory profile and other records identified earlier. However, you must request that your preferred name once established also be reflected on your Student ID card, SIU e-mail address, and on your diploma when you are ready to graduate.

**Preferred First Name Used:**
- Class Roster
- Grade Reports
- Advisor/Advisee Lists
- Unofficial Transcripts
- Directory Listing (unless FERPA exclusion)
- SIU Student ID Card (legal name discreetly presented on back)
- Diploma
- SIU email account

SIU is committed to maintaining an environment where inquiry and growth are supported by a shared sense of responsibility and respect toward one another and with this understanding in mind the university maintains the right to decline a preferred name when it is recognized to be offensive to the institution or inflammatory to the student body. Authority to terminate or deny the use of a preferred name resides with the Dean of Students who maintains and has oversight for the Student Conduct Code.

**FINANCIAL ASSISTANCE**
Financial assistance is available to qualified students in all fields of study in the form of (1) graduate assistantships where one serves as a classroom teacher or assistant, as a research assistant, or as an administrative assistant, (2) fellowships or traineeships (3) scholarships, and (4) loans. There are basic regulations that relate to these awards. Students should make application for the graduate assistantships, fellowships or traineeships through the department to which they have been admitted. Information and application forms for the tuition scholarship program may be obtained from the Graduate School website: gradschool.siu.edu.

Students should be sure that their applications for admission are complete including the submission of required transcripts to the Graduate School to assure consideration for an award.

Graduate assistant appointments, graduate fellowships, and most traineeships include a full tuition scholarship, but fees must be paid by the student. If a department has not established its own financial aid time limits, the following Graduate School time limits will apply; a student may receive no more than two calendar years of graduate-student support while a master's level student; a student may receive no more than four calendar years of graduate-student support while a doctoral-level student; students directly admitted into a doctoral program from their bachelor’s degree can receive up to five calendar years of graduate student support. The maximum number of years of graduate-student support for students seeking any combination of graduate degrees is six calendar years of graduate student support unless a specific exception based on the student’s programmatic needs is granted by the graduate dean. These time limits apply to assistantships, fellowships, traineeships, and other similar awards and appointments administered by the University, regardless of source of funds. Students who are awarded graduate assistantships, fellowships, or traineeships, but who have not furnished official proof of their most recent degree to the Graduate School shall be considered to be on term appointment for one semester only. No one will be appointed to a second term until an official transcript indicating receipt of the degree is received in the Graduate School.

Acceptance of an offer of financial aid (such as a fellowship, traineeship, or assistantship) for the next academic year by an actual or prospective graduate student completes an agreement which both student and Graduate School expect to honor. In those instances in which the student accepts the offer before April 15 and subsequently desires to withdraw, the student may submit in writing a resignation of the appointment at any time through April 15. However, an acceptance given or left in force after April 15 commits the student not to accept another offer from another institution without first obtaining a written release from the
