

## **GUIDELINES FOR THE PREPARATION OF NOMINATIONS FOR GRADUATE DEAN'S FELLOWSHIP**

*Southern Illinois University is an equal opportunity employer and will not discriminate against any person on the basis of race, national origin, or sex.*

### **Graduate Dean's Fellowship**

The Graduate Dean's Fellowship (GDF) is designed for individuals from underrepresented groups who have overcome social, cultural, or economic conditions that have adversely affected their educational progress. Awards will be given to students who are qualified by the usual indicators of promise for success in graduate study.

When awarded, the Graduate School will enter into an arrangement with participating departments to provide a student with funding for two consecutive years. During year one, the Graduate School will fund the award for eleven (11) months as a fellowship. During year two, the academic department will fund the award as an assistantship appointment for nine (9) months.

The Graduate Dean's Fellowship is a two-year award for **new and continuing** students who have been unconditionally admitted to either a master's or doctoral degree program.

Note: The Graduate Dean's Fellowship is considered as a recruitment/retention tool, and it is not to be given to students who are in the final stages of their degree. Students who have previously held a GDF are not eligible for this award.

### **Stipends and Tenure of Award**

In year one, the Graduate School will fund the award for eleven (11) months as a fellowship. During this appointment, the recipient is awarded a monthly stipend at the current Graduate School's graduate assistant rate for fall, spring, and summer. The recipient will be assigned a 10-hour per week research assignment that will provide professional development opportunities for the student and be of value to the academic department. The research assignment will be consistent with the student's educational objectives and training. The Department Chair will determine the training module and monitor the student's progress. The recipient must enroll for a minimum of nine (9) graduate credit hours for Fall and Spring and three (3) for Summer.

In year two, the academic department will fund the award for nine (9) months as an assistantship. During this appointment, the recipient is awarded a monthly stipend based on the current academic department's graduate assistant rate for fall and spring. In year two, the recipient will be assigned 20 hours per week during fall and spring semesters in teaching or research activities that will be assigned and supervised by the academic department. The recipient must enroll for a minimum of eight (8) graduate credit hours for fall and spring semesters, and optional summer enrollment of three (3) graduate credit hours.

A tuition scholarship will be awarded for fall, spring, and summer for both years. Recipients are responsible for all fees. Recipients will start their fellowship in the fall semester.

Recipients are not permitted to accept employment outside of the University.

During special recruitment and graduate enhancement events held at SIU Carbondale, the Graduate School will solicit the assistance of the Graduate Dean's Fellows to participate in seminars and orientation programs.

### **Tax Information**

Fellowship stipends are paid through the University's payroll system which requires income taxes to be withheld. Fellows will fill out the Employee's W-4 Withholding Allowance Certificate form (W-4 form) as part of the research fellowship award packet. Information on taxation of fellowship awards may be found in [IRS Publication 970: Tax Benefits for Education](#) (PDF).
