

GUIDELINES FOR THE PREPARATION OF NOMINATIONS FOR PROMPT ASSISTANTSHIP

Southern Illinois University is an equal opportunity employer and will not discriminate against any person on the basis of race, national origin, or sex.

PROMPT Assistantship

The PROMPT Program (Proactive Recruitment of Multicultural Professionals for Tomorrow) is an initiative developed by the Graduate School of Southern Illinois University (SIU) to increase the number of individuals receiving advanced degrees in the United States from families which have traditionally not had access to the opportunities of higher education and who, through their life and/or cultural experiences, have unique and potentially positive contributions to make to the program, the discipline, and in the larger academic community. The Graduate School, in alliance with participating academic departments, will provide financial assistance packages to competitive, admissible students to pursue advanced study at SIU Carbondale.

When awarded, the Graduate School will enter into a “1+1” match arrangement with participating departments to provide two **new** students with half-time assistantships for two consecutive years: one student funded by the Graduate School and the other one supported by the department. The department may also request a “shared” arrangement wherein the half-time assistantship of one **new** student is supported by both the Graduate School and the department for two consecutive years.

The PROMPT Assistantship is a two-year, half-time assistantship for **new** students who have been unconditionally admitted to either a master’s or doctoral degree program.

Note: The PROMPT Assistantship is considered a recruitment tool, and will not be awarded to continuing students. Students who have previously held a PROMPT Assistantship are not eligible for this award.

Stipends and Tenure of Award

PROMPT recipients will receive a nine-month assistantship appointment for Fall and Spring for up to a maximum of two years. The monthly stipend for the recipients of the PROMPT Assistantship will be based on the current departmental graduate assistantship rate. This assistantship provides a tuition scholarship for fall, spring, and summer. Recipients are responsible for fees. Recipients will start their assistantship in the fall semester.

Students holding PROMPT Assistantship appointments will be required to commit twenty (20) hours per week to teaching, research, or clinical activities that will be assigned and supervised by the recipient’s

academic department. During special recruitment and graduate enhancement events held at SIU, the Graduate School will solicit the assistance of the PROMPT recipients to participate in seminars and orientation programs. Depending on their academic course work, they may also be asked to return to their home campus for recruitment purposes. PROMPT recipients must remain in the Carbondale area as fulfillment of their award except with permission by the Graduate Dean or his/her designee. PROMPT recipients must enroll as full-time students (a minimum of eight graduate credit hours for fall and spring, and optional summer enrollment of three graduate credit hours). A minimum grade point average of 3.0 must be maintained each term.

Eligibility

Nominees must meet the following criteria:

1. A **new** incoming student who has been unconditionally admitted to either a master's or doctoral degree program.
2. An earned degree(s) from an accredited institution of higher learning.
3. A minimum grade point average of 3.0 (scale 4.0 = A) on approximately the last 60 hours of undergraduate work (or the last 45 hours if the student has not graduated), and, when appropriate, a graduate grade point average of 3.25.
4. A member of a traditionally underrepresented group.
5. A U.S. Citizen.

Criteria for Awarding PROMPT Assistantship

PROMPT awards will be offered to those nominees who show the greatest promise for scholarly and professional achievement in their respective disciplines as determined by an evaluation panel. The following criteria will be employed as indices of promise:

1. The assessment by the department of the nominee's abilities, achievements, and promise for success in Graduate School.
2. Overall undergraduate and graduate grade point averages. Scores on standard tests such as GRE, MAT or GMAT will be considered as appropriate.
3. Strength of letters of recommendation from persons who are familiar with nominee's academic record and who are qualified to judge his/her promise for success in the program.
4. Academic indicators of potential, other than, grade point average or test scores, such as honors, publications, and awards.
5. Department's commitment to participate in the "1+1" match or the shared assistantship.
