All faculty and staff who work with graduate students are invited to attend a Graduate School Workshop – Graduate Student Mental Health – Resources for Faculty and Staff on Tuesday, April 27, 2021 from 10:30 AM until Noon.

The goals of this workshop are

- to familiarize you with mental health resources that are available to SIUC graduate students
- to provide information and insight to help you recognize mental health struggles that many graduate students are experiencing
- to provide you with options for being supportive and resources to share with students
- to offer a space where you can ask questions about graduate student mental health and supportive resources

We are grateful to the following people who will share their expertise at the workshop:

- Dr. Jennifer Jones-Hall, Dean of Students, Saluki Cares
- Mr. John Russell, Graduate School Saluki Cares Representative
- Dr. Abby Bilderback, Assistant Director, Counseling and Psychological Services (CAPS)
- Mr. Paul Hagan, Student Health Services Wellness Coordinator and LBGTQ+ Patient Advocate

The workshop will be held via Zoom.

Join Zoom Meeting
https://zoom.us/j/92015107932?pwd=NG05b2dwN2UwUXZUM2swY2Jsd1hmdz09

All graduate faculty and staff are welcome and encouraged to attend. Thank you for forwarding this information to others who might be interested. Contact Dr. Rose Moroz at rmtmoroz@siu.edu with any questions.
Abdulsamad Humaidan, a doctoral candidate in the School of Education who is pursuing a PhD in Education with a concentration in Curriculum and Instruction, was chosen by the TESOL International Association for the "TESOL Leadership Mentoring Program". TESOL International Association is a non-profit organization that includes more than ten thousand instructors and educators who teach English Language to Speakers of Other Languages. One of the highlights of the "TESOL Leadership Mentoring Program" award is the year-long mentoring relationship that a recipient will have with one of the leaders of the organization. For the 2021-2022 year, Abdulsamad will be mentored by Brock Brady, a former TESOL president and one of the 30 Specialists whom the US Department of State selected among figures that made a lasting impact on the US Specialist Program and on the TESOL field. In this experience, Abdulsamad will learn how to be more involved in the work of the TESOL organization.
INNOVATION SERIES
MOVING RESEARCH FROM LAB TO MARKET
SPRING 2021

Do you have an innovative idea or research that has commercial value, but don't know how to move that technology from lab to market?
